### Coaches Award : **Senior Player Award**

This award is given by the coaching staff to a player who best demonstrates, throughout the season's entirety, the true spirit of Lady Eagles. It is an award in which the means justify the end. It is given not only for hard work and personal improvement, but for a willingness to understand and learn. This facilitates a strong partnership with coaches and teammates alike in an effort to recognize one's full potential. This recipient puts the team before herself. This player demonstrates leadership, team spirit, and teamwork throughout the season to keep the team morale alive. She serves as a positive role model for all members of the Lady Eagles Community. Most of all, this recipient has played an integral role in finding triumph over her own limitations or times of defeat.

### Team Leader Award :

A team leader displays responsibility and initiative. This award is presented to the person who was not the team captain, but took on a leadership role to give positive reinforcement to other players. This person also takes on the task of helping other players improve their skills. Team members look up to this person as a role model and mentor because this individual has a strong work ethic and is dependable and trustworthy. Present this award at an athletic banquet so the team leader is recognized for going beyond expectations.
